

XJT Introduction

2026

XJT Pharma Packaging

since 1996

Introduction of XJT

XINJITAI (XJT) is a global supplier of plastic mist sprayers and bottles applicable in pharmaceutical packaging. Now XJT is one of the biggest manufacturers of pharmaceutical spraying packaging in China.

A perfected sprayer attributed to

- Around 30 years of experience, ISO and GMP management.
- High and stable quality and quality team
- Leakage and dosage proof
- Food safety materials. No POM is used.

XJT Pharma Packaging

since 1996

XJT Products

Pharma Packaging Suppliers --- XJT

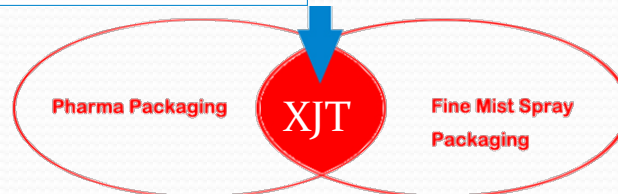

Pharma Quality

ISO 15378  **Clean Room (Purification Workshop)**

Professional

Focus on Pharma  

Focus on Mist Spray 

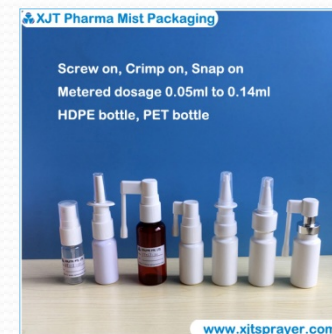

Highly Specializing in **PHARMACEUTICAL & SPRAYING** packaging!

All XJT Sprayers and Bottles are food safety grade and applied in pharmaceutical industry.

Nasal Sprayer

Plastic Bottle Fitting Sprayer

Throat / Oral / Ear Sprayer

Topical Sprayer

XJT Pharma Packaging

since 1996

XJT Products

XJT sprayer's dosage is stable.

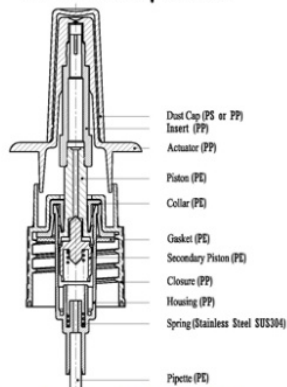

Dosages include 0.05ml to 0.18ml

General toleration is $\pm 10\%$

**XJT can not show
other supplier's
drawing containing
POM components.
Please search online.**

**Drawing for XJT sprayers
No POM components**

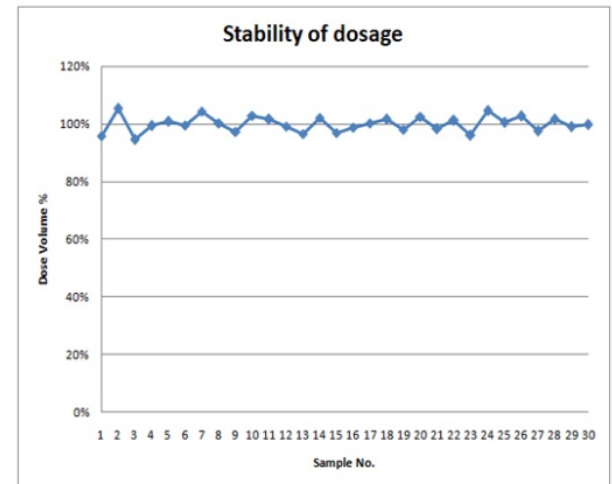

Materials in sprayers which contact medical liquid:

XJT sprayers: PP, PE, Stainless Steel Spring

POM sprayers: POM, PP, PE, Stainless Steel Spring

**XJT sprayers: No risk from POM & No additional risk,*

tested 30 samples, tolerance is within $\pm 10\%$

NO POM is used in XJT sprayers

*MSDS shows part decomposition of POM happens to **toxic** formaldehyde gas during mold plastic*

XJT Pharma Packaging

since 1996

XJT Advantages

- ✓ Around 30 years of experience in manufacturing sprayer
- ✓ Top in Chinese market share & a huge supplier globally
- ✓ Clean rooms of ISO-7 (10k, C), -8 (100k, D)
- ✓ Obtained ISO 15378 (GMP) & ISO 13485 certification
- ✓ Food safety materials with FDA and EC
- ✓ Over 300 million of annual production capacity
- ✓ Own mould making team
- ✓ Strong R&D for special request

XJT Pharma Packaging

since 1996

XJT Sites

XJT Pharma Packaging

since 1996

XJT Manufacturing Site

CQ XJT

Chongqing Xinjitai Pharmaceutical
Sprayer & Pump Co., Ltd.
(Chongqing, China)

XJT only manufacturing site

- Registered in 2020.12 and start running in 2021.06
- Total 10000 m²
- Purification rooms 4000 m²
- Full capacity is 300 millions for sprayers and 200 millions for bottles yearly
- Latest technologies and facilities for plastic moulding and auto-assembling

XJT Pharma Packaging

since 1996

Quality Management System

XJT's QMS is made based on below 3 systems:

ISO 9001, ISO 14001, ISO45001

- Basic quality management

ISO 15378 Primary packaging materials for medicinal products (GMP)

- Primary packaging materials for medicinal products

China FDA and Pharmacopoeia of the People's Republic of China

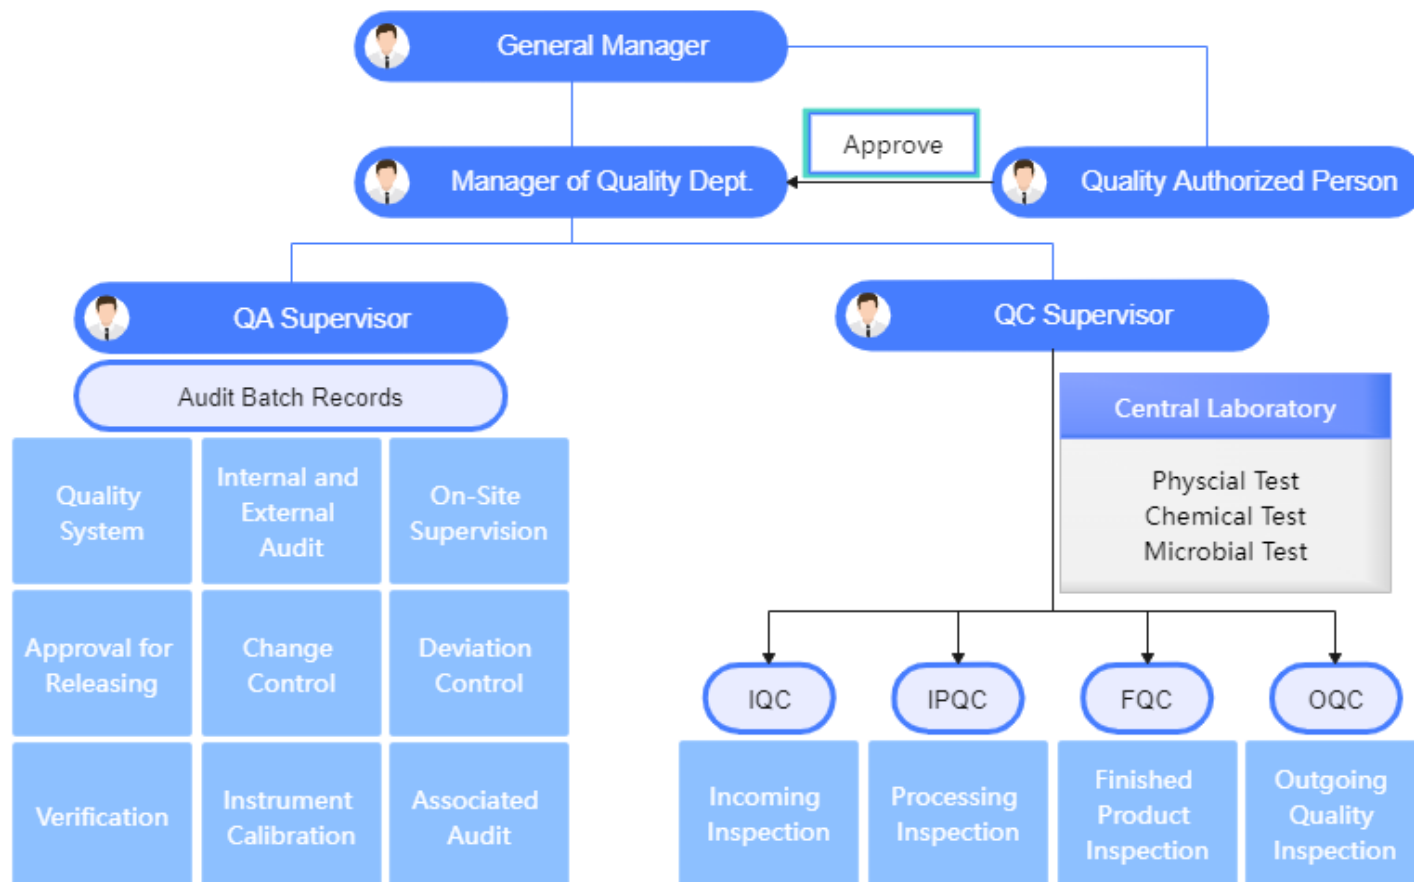

- The standard of CFDA (China Food and Drug Administration)
*Now CFDA 's name is changed to NMPA (National Medical Products Administration)

XJT Pharma Packaging

since 1996

Quality Management System

Ventilation

Purification rooms inspection reports:

	Standards	Results summary
Temperature	18°C to 26°C	22°C to 25°C
Humidity	45% to 65%	60% to 65%
Air change	≥ 20 times/h	≥ 20 times/h
Static pressure difference	≥ 10 Pa	≥ 10 Pa
Dust counting, $\geq 0.5 \mu\text{m}$:	particle upper limit UCL $\leq 3,500,000$ per M^3 (purification production rooms)	$\leq 100,000$
	particle upper limit UCL $\leq 350,000$ per M^3 (microbiological lab)	$\leq 100,000$
Dust counting, $\geq 5 \mu\text{m}$:	particle upper limit UCL $\leq 20,000$ per M^3 (purification production rooms)	$\leq 2,000$
	particle upper limit UCL $\leq 2,000$ per M^3 (microbiological lab)	$\leq 2,000$
Sedimentation bacteria:	≤ 10 per (dia 90mm. 0.5h) (purification production rooms)	≤ 2
	≤ 3 per (dia 90mm. 0.5h) (microbiological lab)	≤ 2

ISO certification

- ISO 9001, ISO 14001, ISO 45001, ISO 15378 (GMP), ISO 13485
